

Science Smorgasbord

For campers aged 6-11

Join us on June 24, 25, 26, 27 or 28 for enough science to satisfy any appetite! These by-the-day camps provide a smorgasbord of activities designed to amaze and astound campers. Come for one day, or stay for the whole week - it's up to you!

New
this year!!

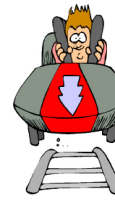

To Catch A Criminal

Take a crash course in the science of capturing criminals and the pitfalls encountered when putting together an airtight case to convict them! Find out what makes the best evidence and how to collect it too. End the week by using these skills to solve a mystery!

Potions, Illusions & Mysteries

Campers learn about the world of chemistry during the daily Potion class. They also discover the science behind many different illusions and explore all kinds of mysterious goings-on. Even Harry Potter would have lots of fun at this camp!

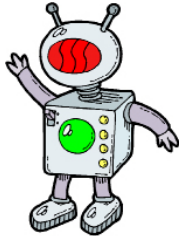

New
this year!!

Amusement Park Science

Take part in an amazing amusement park adventure which combines engineering design principles and key scientific concepts. Build and test model roller coasters, create your own carnival games and much, much more - hang on tight!

Remsoft Robotics

Imagine being able to make a robot that obeys your every command. Using LEGO Mindstorms NXT and a variety of high-tech sensors and probes, campers build and program robots that navigate through an obstacle course and perform other amazing feats.

Science Apprentice

For campers aged 5-7

Learn about the wonderful world of science through a series of fun experiments. From potions to physics, Apprentices will play, discover and learn all about science, technology, engineering and math!

Note: Science Apprentice campers must have completed Kindergarten

SOLD OUT!

Little Scientists

For campers entering kindergarten in September 2013

Discover the wonderful world of science through a series of fun experiments developed just for this age group. While learning about nature, potions, and building, campers get ready for kindergarten by counting, cutting, sorting and printing.

Note: The Little Scientists camp runs from 9am to noon daily

Date	Available Camps	
July 2- 5	Potions, Illusions & Mysteries	
July 8 - 12	Remsoft Robotics	Science Apprentice A
July 15 - 19	Amusement Park Science	
July 22 - 26	To Catch A Criminal	
July 29 - Aug 2	Potions, Illusions & Mysteries	
August 6 - 9	Amusement Park Science	Little Scientists
August 12 - 16	Remsoft Robotics	Science Apprentice B

All camps are for ages 8 - 12 unless otherwise stated.

Campers must be minimum specified age by January 1st, 2013.

Camps run daily from 9am to 4pm with drop-off between

8am and 9am and pick-up between 4pm and 5pm.
